

**LEHIGH UNIVERSITY
MINOR (COMPUTER SCIENCE) DECLARATION FORM**

Name: _____ Date: _____
 Last First Middle

Lehigh I.D. No. _____ College _____ Class _____

Minor: COMPUTER SCIENCE Email _____ Phone: _____

Major: _____ Major Advisor: _____

When the following courses, totaling at least 17 credits have been completed satisfactorily, the minor field will be recorded on the student's academic record. (The CS minor is not available to majors in Computer Engineering, Computer Science, nor Computer Science and Business. The minor will not appear on the diploma).

<u>Course Number</u>	<u>Course Title</u>	<u>CR. HRS.</u>	<u>GRADE</u>	<u>Semester Taken</u>
CSE 2	Fundamentals of Programming	2		
CSE 17	Programming and Data Structures	3		

Plus CSE courses totaling at least 12 additional credits, for a total of at least 17 credits (approved by the CSE-minor advisor). EXCEPT CSE 252 Computers, the Internet, and Society. Certain special topics courses may also be excluded; see the CSE-minor advisor for details.

<u>Course Number.</u>	<u>Course Title</u>	<u>CR. HRS.</u>	<u>GRADE</u>	<u>Semester (to be) taken</u>
-----------------------	---------------------	-----------------	--------------	-------------------------------

NOTES:

- Many of the courses that apply to the minor have prerequisites. Students attempting to complete the minor are not recused from these prerequisites.
- CSE 017 prerequisites: CSE 002 and (CSE 001 or CSE 012 or ENGR 010 either as prerequisite or concurrently with CSE 017)
- CSE 001 or CSE 012 can be used towards the minor (ENGR 010 will not be approved)
- Minors are requested to register no later than their fifth semester; see the CSE-minor advisor for exceptions.
