

**Please drive slowly and exercise caution! University classes are in session and Lehigh University is a walk friendly campus. We appreciate your dedication to maintaining safety for all of our campers and students.**

## Parent Drop Off & Pick Up Information

Dear Parents,

Safety is our top priority at Lehigh University. Please help us maintain a safe environment for all of our campers during our drop off and pick up.

In this packet you will find your **drop off & pickup vehicle tag**. This tag includes a QR code that is unique to your child. At both drop off and pick up, our mentors will scan the QR code to “check in” and “check out” your child from CHOICES camp. Campers will NOT be released to anyone without the QR code. Please let us know as soon as possible if your child’s pick-up parent/guardian changes (see contact information below).

Enter the pickup/drop off line at the intersection of Broadhead and Memorial Drive West. You will see signs for the CHOICES parent line. Please drive slowly and wait for a CHOICES mentor to scan your vehicle tag (QR code).

- ✓ During Drop off, Campers should remain in the vehicle until a mentor has checked them in.
- ✓ At pick up, campers will remain with their mentors until the vehicle tag (QR Code) is scanned.

Please exit the parent line by driving out University Drive to Broadhead Ave (see map attached).

If you have any questions, or need to notify us of a pick up change, please email or call Chayah Wilbers at [clw219@lehigh.edu](mailto:clw219@lehigh.edu) or 610.758.6311.
